### PHONE CALL SET UP TO INSURE "RING THROUGH" 24 HOURS PER DAY

#### Step 1:

Look in your phone calls "recent" section, find the phone a call from your last ABW phone call—alerting you to an alert and add it as a "contact".

Insert a name for this phone call number. Here we have used ABW ALERT NOTICE. You can use any name you want.

If you cannot find a recent phone call from ABW—you can use 385-245-2815, however, you may receive a different number in your area. If a different number is received, you will need to update or add that number to this contact record.

Step 3:	8:16		al 🗢 🗩	
Select-turn on "Emergency Bypass".	Cancel	Ringtone	Done

### PHONE CALL SET UP TO INSURE "RING THROUGH" 24 HOURS PER DAY

#### Step 1:

Look in your phone calls "recent" section, find the phone a call from your last ABW phone call—alerting you to an alert and add it as a "contact". Insert a name for this phone call number. Here we have used ABW ALERT NOTICE. You can use any name you want.

If you cannot find a recent phone call from ABW—you can use 385-245-2815, however, you may receive a different number in your area. If a different number is received, you will need to update or add that number to this contact record. Then,

Go to "Settings". Select "Notifications"

#### Step 2:

Select "Do Not Disturb".

Set up your desired "Do not Disturb" parameters as you desire.

#### Step 4:
